

# Kalamazoo in Our Heart

By Shun Fujishima

English lyrics	日本語版
<p>When we get together once a year or two We talk about Kalamazoo It's known for paper, food, medicine and education Students from many nations</p>	<p>アメリカのミシガン州に あるその町は 夏暑く冬寒い 湖も凍る</p>
<p>Though the times were different when each of us was there We have a lot that we share Memories we cherish of the city of the Mall Are live and vivid for us all</p>	<p>親切で大らかな 中西部気質 (かたぎ) 我らの第二の故郷 カラマズーの町</p>
<p>Since the 1960's, they have lived in Kazoo They are parents for us, too Our thanks for their guidance will never be over Dr. and Mrs. Soga</p>	<p>曽我先生、奥様 お元気で何より あの頃のおせちや天婦羅 忘れられません</p>
<p>When you're having fun, like an arrow time flies Closing is near we realize "Goodbye and Sayonara", greetings we exchange "Until the day we meet again ! "</p>	<p>矢のごとく過ぎ行くは 楽しい時間 さよならの時が来た 再会誓おう 再会誓おう</p>
